French App of the Month: Duolingo

Practice your French on-the-go with this free award-winning app. Earn "lingots" as you painlessly learn how to understand, speak and write in French.

SCIDES French Club

The *Parlons!* French Club is open to all SCIDES FR10-12 students to come work on their conversation skills

The *Parlons!* French Club is off the a great start! We have already had students from Grades 10, 11 & 12 join in on the sessions. The next session is Monday, Oct. 2 from 3:45 - 4:30pm on Zoom. This is a fun way to practice speaking French (and you can use it for credit towards your Language Exchange marks too!)

Fun Fact of the Month:

No W's in French

Yup, that's right. The letter "w" doesn't appear in a single French word! However, there are some "borrowed words" like *wagon*.

THEME OF THE WEEK

We explore speaking French using a different theme every week. The theme on Oct. 2 is "Free Vocabulary!"

MORE INFO

Find more info (including an FAQ) in your course under the section called "Language Exchange".

CALENDAR

See the *Parlons!* Calendar the theme of the week, Zoom links & Language Guides (aka Cheat Sheets)
